A few notes about our 5th Grade Ecology Field Trip.

Our trip will take place at Peace Valley Nature Center in New Britain. Part of the time will be spent in the wetlands portion of Peace Valley Park.

Your child (and you, if you are a chaperone) should:

- Dress appropriately to walk in the woods and fields that may be muddy or wet.
- Bring a bag lunch.
- Dress for weather, we will go in light rain.
- Eat a good breakfast lunchtime may be about 12:00
- Show proper attention and respect to all group leaders.

Thanks,
The 5th Grade Team
